

Directions:

From Victoria Station

Exit the station at Cross Street and take a right onto Miller Street. Follow Miller Street through the cross junction which then becomes Swan Street and then Great Ancoates Street. From Great Acoates Street take a left onto Redhill Street at which point you will see the entrance to Royal Mills directly ahead of you on your left hand side.

From Piccadilly Station

Exit the station onto London Road and continue to the junction with Newton Street. At this point take a right onto Newton Street and follow to the T-junction with Great Ancoates Street. Continue onto Great Ancoates street to your right then take a left onto Redhill Street at which point you will see the entrance to Royal Mills directly ahead of you on your left hand side.

From M62

From the M62 junction 18 exit onto the M60. Continue on the M60 and exit at junction 22 onto the A62 (Oldham Road). Continue on the A62 for approximately 4 1/2 miles. At the T-junction with Great Ancoates street turn left. Continue onto Great Ancoates street for 1/4 mile then take a left onto Redhill Street at which point you will see the entrance to Royal Mills directly ahead of you on your left hand side. On street parking is available all around the building.
